

BECOME A MENTOR

Thank you for being interested in our Women Mentoring Women Program.

In 2011, the FACC Chicago created W4W, (“Women for Women”) the Executive Women’s Committee. The mission of W4W is to create a strong network, aimed at sponsorship and active support for women to help open doors to growth opportunities and counsel women through career peaks and valleys.

In 2013, FACC Chicago W4W organized a breakfast seminar about Best Practices for gender compositions on Corporate Boards in France and the United States. W4W is currently developing another informative event.

The second mission of the FACC Chicago W4W is its ongoing mentorship program aimed at professional women in need of assistance with their career advancement whether they have recently relocated to Chicago, are rejoining the workforce after a break or are relocating to France from Chicago. To further this second prong of the mission, the WMW Committee (“Women Mentoring Women”) was created.

WMW pairs a candidate with one of the volunteer mentors to provide guidance on networking, identifying opportunities and understanding cultural differences.
