ANNUAL GALA *La Nuit des Etoiles*
French-American Chamber of Commerce-Chicago
Friday May 3rd, 2019 - Sofitel Magnificent Mile

The evening:

La Nuit des Etoiles is the largest celebration of the French-American business community in the Chicago area and a unique gathering of the local international business community in a fun and intimate setting.

The beautiful Southern France region of **Sud Provence-Alpes-Côte d'Azur** will inspire this year's gala as we highlight the innovations, savoir-faire, and world-renown gastronomy from this region of France throughout the evening.

La Nuit des Etoiles is one of FACC-Chicago's largest annual fundraisers and the main source of support for our new philanthropic initiative, the [FACC-Chicago Foundation](#).

About FACC-Chicago:

Founded in 1978, the French-American Chamber of Commerce Chicago is an independent non-profit membership organization that fosters a thriving economic relationship between the United States and France and welcomes and supports French businesses, entrepreneurs, and professionals in the greater Chicago and Milwaukee areas. FACC-Chicago is the main professional forum and resource for French business leaders in our region and for local U.S. companies doing business in and with France.

About our Foundation:

Founded in 2018, the FACC-Chicago Foundation's mission is to help build a diverse generation of young professionals prepared for the global jobs of the future. The Foundation offers scholarships to Chicago high school students interested in French language and culture who plan to pursue a technical, pre-professional or traditional four-year college degree. Scholarship recipients are also offered training and learning opportunities within the FACC-Chicago community.
