**** Sponsorship Opportunities ****

La Nuit des Etoiles is the largest annual celebration of the French-American business community in the Chicago. **We look forward to seeing you in person this year!**

La Nuit des Etoiles is one of FACC-Chicago's largest fundraisers and the main source of support for our philanthropic initiative, the [FACC-Chicago Foundation](#).

About the FACC-Chicago:

Founded in 1978, the French-American Chamber of Commerce Chicago is an independent non-profit membership organization that fosters a thriving economic relationship between the United States and France and welcomes and supports French businesses, entrepreneurs, and professionals in the greater Chicago and Milwaukee areas. FACC-Chicago is the main professional forum and resource for French business leaders in our region and for local U.S. companies doing business in and with France.

About our Foundation:

The FACC-Chicago Foundation's mission is to help build a diverse generation of young professionals prepared for the global jobs of the future. The Foundation offers scholarships to Chicago high school students interested in French language and culture who plan to pursue a technical, pre-professional or traditional four-year college degree. Scholarship recipients are also offered training and learning opportunities within the FACC-Chicago community. Since 2018, the FACC-Chicago Foundation has awarded five scholarships.
