

French-American Chamber of Commerce Chicago Foundation Application Instructions

Objectives

The FACC Chicago Foundation scholarship program was created to support local high school graduates with an interest in French language and culture seeking to obtain the education, skills and experience necessary to prepare for the global jobs of the future.

Scholarship recipients will be invited to participate in FACC events and to access the FACC's professional network, including the possibility of internships or mentoring with one of our member organizations.

Eligibility Requirements

- Chicago high school students accepted into a credit-bearing technical, pre-professional or traditional four-year degree program
- Previous or anticipated coursework in French is preferred
- Must have a demonstrated financial need
- Must have interest in cross-cultural learning

Scholarships will be disbursed in increments by academic year for the duration of the degree program, for up to four years, contingent on ongoing academic performance.
