A Guide to FACC-Chicago Membership Levels & Benefits

# About the FACC

Founded in 1978, the French-American Chamber of Commerce Chicago (FACC-Chicago) is an independent, non-profit, member-driven organization whose mission is to foster a thriving economic relationship between the United States and France and to welcome and support French businesses and entrepreneurs in the Chicago region.

For 40 years, we have been the primary professional forum for the local French-American business community. We support local economic development by promoting our region as a destination for French businesses and facilitating cross-cultural communication, collaboration, and partnerships.

FACC-Chicago is one of 18 U.S. chapters of the French-American Chambers of Commerce, representing over 5,000 companies nationwide in all major industries.

FACC-Chicago is also a member of CCI France International, an international network of 125 French Foreign Chambers of Commerce that spans 95 countries and represents over 35,000 members worldwide.
